

Belleville Labour Lawyers

Belleville Labour Lawyers - The quality of relations between the employer and employees can effect the whole office. We have professionals within Employment Law to be able to help represent both employers and workers in the numerous problems which may affect the work environment. Our firm is committed to offering high-quality service.

With respect to their employers, we can help staff to understand their statutory and common law duties. Our services comprise the negotiating and drafting employment contracts, and to prepare certain procedures and policies for the office. When issues arise with respect to accommodation for various employees, we can inform employers regarding their obligations, and negotiate a result that meets the client's goals.

Our companies employment lawyers keep up-to-date and are rather experienced regarding applicable workplace legislation. Our broad skill extends into the areas of constructive dismissal claims, termination packages, human rights and harassment complaints, and employment standards compliance. We present all the alternatives to our clients previous to recommending the best course of action.
