

Best Divorce Lawyer in Belleville

Best Divorce Lawyer in Belleville - There are several things which you should take into account when planning your estate beyond just your last will and testament. Things to consider comprise selecting the beneficiaries of your life insurance benefits, deferring and reducing taxes, homes, pension plans, businesses, and practices. Our company is experienced in various problems regarding wills and estates and is capable of offering efficient and valuable estate planning advice.

Included in the more comprehensive estate plans are the preparations for possible sickness because this can be a rather complex matter. Our seasoned lawyers gives advice to our clients in the preparation of their Dependent Adult Application, Enduring Power of Attorney and personal Directive.

We are experienced in the aspects of the succession of family businesses and charitable giving. Several of our lawyers regularly publish articles and attend lectures related to estate planning.

Dependent Relief Act Application, Challenging Wills, matrimonial property issues, Intestate Succession Act issues, same sex relationships and adult interdependent relationships are all probate and estate litigation matters in which we specialize.
