

Belleville Real Estate Lawyers

Belleville Real Estate Lawyers - Our firm specializes in Real Estate Law and is recognized leader in the purchase, development and sale of real property, leasing transactions and real estate financing. We can help clients in the development, construction and management of commercial and residential condominiums, office buildings, residential rental projects, hotels, shopping centers and retirement homes. Our clients include developers of residential, commercial, institutional, and industrial real estate, international and domestic real property investors in addition to providers of construction services, financing and property management.

We have represented both public entities and private developers in transactions including public-private partnerships (P3) for infrastructure because we are skilled and knowledgeable about the institutional, policy and political problems included in structuring and implementing transactions.

We likewise assist clients in the infrastructure, financing and procurement planning using a multi-disciplinary approach, which allows our groups of lawyers to use all the resources obtainable within our very own company. We provide our clients the wide range of advice required to be successful in real estate joint ventures and reorganizations, financings, syndications, financial workouts and environmental assessments.
