

Legal Services Belleville

Legal Services Belleville - With the large industry of entertainment within North America, there are several of businesses like for instance actors, directors, writers, service providers, federal/provincial agencies, animation houses and banks.

We advise our numerous client's within the film and television industry about the topics concerning co-production partners and distribution, tax credits and government funding, negotiations with broadcasters, banking transactions, union and guild concerns, and any other financing or production concerns they might encounter.

For the on-location productions, we offer advice and services regarding withholding tax and film tax credits, investment rules and regulatory requirements, in addition to possible issues involving unions and guilds within Canada and the United States.

The main focal point of our team of lawyers focuses on the new media, film and television industries. We work with and are accompanied by a variety of groups comprising our Labour & Employment, Tax, and Intellectual Property groups. A unique perspective is developed by our head lawyer, who depends upon his entertainment law and securities law knowledge to be able to offer our clients with excellent suggestion concerning corporate and project-based funding.
