

Lawyer Referral Service Belleville

Lawyer Referral Service Belleville - High-net worth individuals as well as their families find wealth management and estate planning vital. All through our clients lifetime, we make sure that their assets are protected and after death, we make certain that they are distributed in a tax efficient and orderly method to their descendants.

Our estates and wealth management team will help with all aspects of administration, executorship, trusts and estates, taxes and connected dispute solutions. Our vast knowledge includes the fields including the powers of attorneys, trusts and the preparation of wills. We ensure that, in case of death, double taxation and various unfavorable tax results.

We specialize in succession planning for both private and family-owned companies. We have clients coming to us for our work. Our clients employ the several service separation of business assets from investment assets, exit strategies, estate freezes and variable share structure.
