

## Belleville Tax Lawyer

Belleville Tax Lawyer - Our practice specializes in dealing with tax disputes and has significant knowledge in tax litigation. Companies call upon us to aid them in negotiating with the tax authorities. We usually represent them before the courts on tax appeals.

Our firm is plenty knowledgeable and experienced in income, capital, mining and commodity taxation and trade cases. We utilize all of our resources which we have on hand to help assure that our client is prepared and ready to deal with audits, information requests, voluntary disclosures and reassessment proposals. Our tax solicitors usually request our tax litigators early on to advise our clients concerning the tax aspects of a transaction. Should a reassessment be unavoidable, we try to resolve the disagreement using administrative appeals. If this method does not obtain positive results, we attempt to simplify the circumstances prior to starting the litigation process. Our main objective is to help our clients come to a resolution efficiently and quickly.

Amongst our recent cases have comprised transfer pricing, interpretative questions and tax avoidance. These questions comprise scientific research and experimental development costs, taxable benefits, foreign exchange, and commodity and payroll taxes.

Our client base is formed by both foreign and domestic businesses. These consist of numerous well known public institutions and partnerships, tax-exempt companies, and various companies in the areas of telecommunications, financials, utilities and pharmaceuticals. We guarantee that a close working relationship is maintained on both a domestic and worldwide level along with chief financial officers, accountants, tax executives and tax advisors.
