

Belleville Employment Lawyers

Belleville Employment Lawyers - Our group offers practical and affordable advice in order to help our clients resolve their labour and employment disputes. We make use of strategic planning to ensure any labour and employment issues are kept to a bare minimum. Advice is offered on different issues, such as email and internet policies, harassment, as well as the analysis of collective agreements. Our company specializes in conduction negotiations, along with collective bargaining strategies.

We make certain that our clients obligations and rights are protected while helping them understand the laws which govern their industry. In the situation where issues are brought to a hearing, our lawyers are fully capable of representing our clients within the courtroom.

Our company deals with disputes regarding employment standards, employment insurance, and workers' compensation. We also give suggestion on how to handle difficult employees, like termination strategies and severance packages.

We help our clients to develop independent contractor agreements and employment contracts. These contracts ensure that a companies intellectual property rights are maintained and helps to avoid competition from previous employees. There are some compensation schemes that can be developed, like for example stock option plans and incentive pays, which our lawyers could guide you through.

Labour relation strategies are central for the success of mergers, amalgamations, as well as various other business changes. Our lawyers work closely together with our clients so as to develop a plan that will help them achieve their business goals.
