

Tax Lawyer Belleville

Tax Lawyer Belleville - Taxation takes up a major part of our Firm. Our lawyers are seasoned veterans in the areas of personal, corporate, international and estate tax planning. This comprises, but is not limited to, assessing and limiting the damage caused by mergers and acquisitions, corporate reorganizations, commercial transactions, and private and public financings.

We provide services in the preparation, submission, and negotiation in advance tax rulings. Our groups of lawyers would help you in all the steps and stages of the tax appeal process, throughout the filing and preparation of the notice of objection till the subsequent appeals and/or trials. Clients can be assured that they would be fully represented in all aspects of dealings conducted with the tax authorities.
