

Belleville Lawyers Directory

Belleville Lawyers Directory - The rules that govern tax law are complex and intricate. We present clients with valuable recommendation which will aid guide them through the development of a tax strategy. Our company offers different services comprising litigation, tax planning and counsel. All our lawyers are effective and affordable and will provide quality advice and services.

Our base of clients is quite varied, from the large multi-million dollar corporations in the trades of forestry, manufacturing, mining and finance or to smaller business including start-ups, pension funds, trusts, and individual estates. We likewise offer assistance to charitable foundations. We have headquarters in Asia, Canada and the United States.

Our expertise in particular business tax conditions, specifically those in international taxation and commodity tax, is renowned within the trade. We consult with our estate and trust lawyers to be able to give the client with up-to-date recommendation regarding offshore trusts, charitable giving, employee benefits, pensions and estate planning. Our firm is often called upon to give advice and opinions concerning the laws governing local and global taxation. We also specialize in securities, real estate transactions, as well as the structuring and closing of corporate accounts.

Our company places a large emphasis on its practice in litigation. Our lawyers are fully capable in representing clients inside the courtroom but are equally experienced at negotiating outside the courtroom. Tax disputes, specifically those situations concerning the provincial sales tax, goods and services tax, cross-border taxation, the North American Free Trade Agreement and industry subsidies, are another one of our company's specialties. Clients may depend on our company to be able to write proposals to the provincial and federal finance and revenue ministries in search of legislative amendments.
