

Belleville Injury Lawyer

Belleville Injury Lawyer - We have skilled and knowledgeable Class Action lawyers that are qualified in both defending and advancing class actions. Because of the fairly plaintiff-friendly nature of class action legislation, there have been several class action suits which have received national awareness. We have a well-developed network of relationships together with class action counsel in various provinces, enabling us to mount a coordinated method in cases where parallel procedures have been initiated in other jurisdictions.

Class actions generally create a higher level of public scrutiny and greater financial exposure compared to ordinary legal proceedings. Our experienced litigation counsel has been involved within various class procedures, including securities; taxation, insurance, and product liability claims. Our clients benefit from our extensive resources and depth of skill.
