

Criminal Law Belleville

Criminal Law Belleville - Our firms legal professionals, patent agents, and trade-mark agents have knowledge in the field of intellectual property. Our lawyers in particular, are highly experienced in assisting our clientele in developing intellectual property methods and assisting our clients to create draft applications.

With over thirty years of practice handling intellectual property, our senior lawyers are well-known for their skill and knowledge. Over time, we have expanded our companies globally to ensure that our Canadian and global clients have access to intellectual property protection.

Since the globe is constantly in a state of change, intellectual property is amongst the most valuable aspects in a knowledge based economy. Utilizing our lawyers innovative legal suggestion, our clients could realize the full potential of their intellectual property. Our recommendation also helps protect them against counterfeiting, competition and infringement.

Professional engineers, scientists and PhDs who are leaders in patents, trade-marks, copyright, industrial design, and intellectual property agreements and disputes likewise are part of our intellectual property Group.

We make sure that each of our clients is matched with a registered trade-mark and patent agent in order to help ensure that their intellectual property is well protected.
