

## Bankruptcy Belleville

Bankruptcy Belleville - Our Bankruptcy and Restructuring team has lots of knowledge and experience in the areas of restructuring, bankruptcy and insolvency. For both debtors and creditors we act on their behalf and have played many major roles in some global restructuring scenarios and several cross-border restructuring deals.

Major insurance companies, investment firms, foreign banks along with other financial institutions from Europe and Asia seek counsel and representation from our experienced lawyers. Some of our clients consist of par bondholders, hedge funds and distressed debt purchasers, and high yield investors. Our firm is well versed in all aspects included in insolvencies and we maintain several active practices for numerous conventional debtors. These clients, consisting of receivers, debtors and creditors, have a range of requirements varying from enforcement remedies to court protection.

By working as a team together with other lawyers in various areas and by making use of all available resources to ensure that our client is well represented within the areas of employment law, acquisitions and mergers, corporate tax, litigation and securities. This procedure makes certain that each solution that we work out would be able to fit each individual situation. Our company is known for being creative and proactive. The services which we perform regularly comprises negotiating creditors' rights issues, cross-border insolvencies and facilitating consensual deals. When faced with cross-border insolvencies, our company makes use of simultaneous extra-jurisdictional court proceedings to speed up protracted restructuring procedures.
