

Belleville Bankruptcy Lawyers

Belleville Bankruptcy Lawyers - Through stressful economic times opportunities arise in the midst of the chaos. Our Business Solutions and Restructuring Group helps our clients to grab these rare opportunities utilizing our unique multi-disciplinary approach. We are easily situated in nearly all provinces/territories within Canada. Our lawyers pride themselves on going the extra mile so as to search for solutions outside the conventional alternatives while still maintaining the company's reputation as an effective and cost-effective firm.

Our team of lawyers are knowledgeable in a lot of the facets of domestic and international insolvency and bankruptcy law. We have knowledge working on cases about the Companies' Creditors Arrangement Act, Bankruptcy and Insolvency Act as well as Canada Business Corporations Act. Additionally, we have skills in preference legislation, personal property security, and provincial business corporation. When considered necessary, our company searches for outside opinions so as to ensure quality service is maintained

Debtors, liquidators, stakeholders in restructuring matters acting for secured and unsecured monitors, managers, trustees, creditors, receivers and proposal trustees in bankruptcy all depend on advice from our company to ensure their businesses succeed financially. We provide unique and individualized options for people who are looking to make money from the current economic situation.

Our company also has extensive experience in the fraud part of Bankruptcy Law. We make sure that the lawyer assigned to your case is part of the entire process, from the beginning investigations all the way to the recovery of the clients resources. Our company has acted as a independent monitor in "Anton Piller Orders", that are civil search warrants.

Individual directors and officers, plus board of directors will ask for our recommendation regarding corporate matters. Such matters might consist of their fiduciary duties, liabilities and obligations.
