

## Belleville Car Accident Lawyers

Belleville Car Accident Lawyers - Our class action defense group is amongst the country's biggest and most knowledgeable. Our experience is varied, but we specialize in class action situations consisting of employment, competition, environment matters, product liability, pension, securities and professional liability.

Our firm's lawyers are fully capable at coming to a early resolution making use of our strong negotiating abilities or defending our clients in a trial. Our objective is to create a good plan for you, one that is efficient and cost effective. As our counsel consists of lawyers from many jurisdictions, we are able to provide our clients experienced, useful advice and a national approach when defending multi-provincial class actions. With regards to dealing with cross-border litigation, we even use our "one team" approach. We have worked directly along with internal and external U.S. defense counsel so as to make a worldwide defense method.

Our multidisciplinary approach allows us to draw upon the information offered by members of our competition, banking, commercial and corporate, intellectual property, labour and employment, pension and securities teams to be able to guarantee that all our clients needs are best represented.
