

Belleville Accident Lawyers

Belleville Accident Lawyers - Our company of insurance professionals offer legal suggestion on the broad range of problems of insurance to the various businesses within the insurance industry. These can include the defense of directors, officers and professionals; class actions, subrogated actions, fire litigation, product liability claims and personal injury claims. We offer the insurance business with legal counsel at all levels of the Courts and have assisted insurers in policy wordings.

We act in various casualty and property claims on behalf of private insurers and Insurance Corporations. Our goal is to be able to provide clients with affordable solutions to insurance claims.

We provide corporate advice to insurers. Our long-standing relationships with numerous domestic and international insurance market insurers enable us to offer the insurance industry with cost-efficient and expert counsel.

Professional Liability

We help in the development of professional liability policy wordings for accountants, engineers and architects, offering counsel and opinions about coverage and coverage disputes in these fields.

Municipal Liability

Our partners advise on policy wordings and coverage issues for local government members and their Boards and Commissions, as well as offering counsel and coverage problems on their behalf. We even act for municipalities in liability actions happening out of fire associated losses and code enforcement.

Directors' and Officers' Liability

We have handled coverage issues as control counsel for D&O carriers. The claims against officers and other directors are quickly and efficiently dealt with.

Builders' Risk

We are involved in litigation connected to materials, faulty workmanship, and design exclusion in builders risk policies.

Insurance Fraud

We act for insurers in matters related to insurance fraud consisting of offering coverage advice, defending the denial of fraudulent claims, and advancing claims on behalf of insurers against insureds and third party service providers.

Fire Losses

Our fire loss service is knowledgeable at delivering services in the most focused and effective manner in nearly each and every aspect of fire associated claims. We provide coverage advice as well as handle fire litigation from the preliminary investigation to the case preparation and presentation stages. We represent insurers when claims of bad faith and subrogation impact their direct interests.

Class Actions

Our lawyers have litigated many high profile class actions in cases that comprise insurance issues, product liability and financial services.
