

Belleville Bankruptcy

Belleville Bankruptcy - Our firm in the last few decades has provided recommendation on all aspects of bankruptcy law, comprising reorganizations and restructurings, commercial litigation and creditor's remedies. Our profile is globally recognized, and as such we have a large majority of our clientele which are globally based. Much of our business regards cross-border insolvencies and restructuring between America and Canada. We are experienced in various matters due to our many domestic relationships with various lenders and professionals. Our practice comprises working together with commercial and financial organizations, domestic and international financial institutions, receivers, creditor's committees, trustees, investors, debtors and acquirers in reorganizations and insolvencies.

The Canadian cross-border insolvency system was developed in part by members of our practice. Furthermore, the Government of Canada takes our advice into consideration when amending Canadian laws that include global business. We are proud to be active members of different worldwide insolvency organizations.
