

Car Accident Lawyers Belleville

Car Accident Lawyers Belleville - Class action suits present significant challenges to businesses, governments as well as various organizations in today's litigious environment. Our groups of lawyers offer the required strategic and technical expertise required for a successful defense. We are pioneers in this difficult and evolving area of the law. Our ability to manage complex, multi-party litigation is proven by our record in the field of class actions.

We have acted in and advised for several class action cases. Our expert lawyers are often called in to coordinate, lead and participate the defense of multi-jurisdictional class procedures. Our experience encompasses mass torts like products liability cases, pension's claims, securities and other investors' claims, commercial and biotechnology claims.

Our Class Action Team is here to advise clients with respect to class action problems that have not yet matured into issued claims, and our litigators are here to help in responding to class proceedings once commenced.

On the area of class actions, we are considered to be leading educators on the area. Our firm includes members who have written articles and presented them at both national and international conferences.
